**Best Fitness Spin Style Bike**

The new BFSB5 Spin Style Bike offers a true road bike feel at an unbelievable value. A challenging 40 lb. flywheel provides smooth action. The top-down breaking mechanism makes adjusting the tension very easy. The unit is very compact, taking up a footprint of 2'x4'. The two way adjustable seat and adjustable handlebars allow users of all sizes a proper fit. Transport wheels allow the unit to be moved very easily.

Dimensions: 44"L x 20"W x 44"H

**Special Features**

- 2'x4' usage area
- 40 lb. flywheel
- Chain drive system
- Transport wheels
