

BSTYM10 Premium Yoga Mat

Our durable Body-Solid Yoga Mats provide a stable, non-slip surface for yoga or pilates. A great yoga mat will take your practice to the next level. This soft, flexible mat is lightweight for easy transport. The low density material lightens the weight of the mat without losing quality or traction.

- Premium Yoga Mat made of Durable High Density PVC
- Decorative Pattern gives the user specific spots that can be used for positioning
- Preprinted repeating Center Line Markers
- Perfect for home or studio use
- Ensures the safety and comfort you need to enhance proper alignment and maintain poses
- 68" X 24", 6mm Thickness
