

GFR500

Body-Solid Tools - Fitness Bar Rack

GFR500

Body-Solid Tools Fitness Bar Rack

Designed for easy storage of your Body-Solid Fitness Bars, the GFR500 is simple and effective. Vertical storage allows 30+ fitness bars stored in a compact space with easy access. Heavy gauge steel oval tubing provides a solid and stable storage solution. The GFR500 stores fitness bars from 4 to 36 pounds. The perfect companion for your Body-Solid Tools Fitness Bars, the GFR500 is compact, stable and affordable.

Dimensions: 43.5"H x 25"D x 28.5"W
