

B2.5U

Electronic Upright Bike

B2.5U Electronic Upright Bike

With a more comfortable seat than a traditional road bike and 20 levels of smoothly adjustable magnetic resistance, the Endurance B2.5U puts you in control of your daily ride. You're free to adjust your workouts to suit your mood, challenge your endurance and maximize your cardio benefit.

The Endurance B2.5U's advanced electronics provide you with the constant feedback you need to monitor your workout. Plus, with contact heart rate you'll ride smarter and be more cardio efficient.

Dimensions: 55"H x 41"L x 24"W
