#### **P1X**

#### **P1X Powerline Home Gym**

The compact, feature-packed design of the Powerline P1X offers proven motion and pivot points for a fluid routine. To increase comfort and functionality, ergonomically correct press arms allow for natural arm movement as you cruise through your favorite workouts. This machine also offers the added benefit of an optional leg press station that can be mounted on either side of the gym.

*Dimensions: 83"H x 71"L x 66"W*
