ESB150 Exercise Bike

The ESB150 is the closest thing to riding a road bike in the comfort of your own home. The ESB150 features sealed bearing pivot points that combine with a v-grooved belt drive providing a quiet and smooth ride. The seat and handlebars adjust vertically and horizontally allowing a perfect fit for almost any size user. The ESB150 is perfect for light commercial and residential settings.

Weight: 117 lbs.
