Cast Iron Olympic Plate Sets

Virtually indestructible, all OPB Cast Iron Olympic Plates are machine bored for a precise fit. Black satin enamel finish for an exceptionally strong and durable product. Whether you're looking to trim up, slim down or build the muscularity of a professional bodybuilder, the OPB Cast Iron Olympic Plates are the perfect choice for you. These plates are constructed from solid cast iron and coated with a black satin enamel finish that makes them tough and rust-resistant.

Special Features

- Black enamel finish
- Olympic plates are mchine bored for a precise fit
- Olympic style plates have a 2" diameter center
