

GST20

Body-Solid - Utility Stool

GST20

2"x3" Utility Stool

The GST20 is designed to align your body to perfect seated posture and reduce stress on your back without restricting movement. Both seat pads are mounted to the heavy duty 2"x2" and 2"x3" mainframe, which is constructed from 12-gauge high-tensile strength steel for maximum strength and features an extra-wide base that ensures lateral stability. When it comes to padding, you can't beat Body-Solid's extra thick, double stitched DuraFirm™ upholstery. It's tear resistant and guaranteed to provide a lifetime of comfort and support without ever bottoming out. Whether it is in a home or commercial setting, the GST20 is the best seat in the house!

Dimensions: 35"H x 29"L x 27"W
